REASONS FOR ALLOWANCE

2. Claims 1-9, 13-19, 27, and 28 are allowed over the prior art of record.

3. The following is an examiner's statement of reasons for allowance:

The invention as claimed, specifically in combination with a first two-color photo-detector with a first element absorbing only blue light and a second element absorbing only complement of blue light, the first element in an elevated relation with, and electrically isolated from, the second element, also with a second two-color photo-detector with a third element absorbing only complement of red light and a fourth element absorbing only red light, the third element in an elevated relation with, and electrically isolated from, the fourth element, is not disclosed or made obvious by the prior art of record.

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Edgar US Patent No. 6,593,558, teaches an image sensor with a first element above a second element and a third element above a fourth element, detecting different colors.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Yam whose telephone number is (571)272-2449. The examiner can normally be reached on Monday-Friday 8:30am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Porta can be reached on (571)272-2444. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
